

Two Fantastic Paediatric Specialist Orthotists London & South East England

including Greater London, Sussex, Surrey,
Hampshire, Kent, Essex and Hertfordshire
(part-time applications will be considered)

Whether **you're looking to dedicate your career to paediatrics**, or **you're already a highly respected paediatric Orthotist**, our unique culture supports amazing people (like you) to do their very best work and to flourish, helping us to deliver outstanding care to thousands of children and young people with complex and long-term health conditions.

You will...

- **become part of the well-established and highly respected John Florence Orthotist family**, recognised by young people, families and healthcare professionals across the UK.
- integrate within internationally recognised MDTs, across some of the **UK's leading NHS and private children's hospitals and rehabilitation services**.
- be **challenged with some of the most complex paediatric presentations**, knowing that your clinical, technical and admin peers are always close to hand, or just a video call away.
- be **supported to lead your own clinics and to manage your own time**.
- **work closely with our talented technical team**, who boast over 50 years of shared experience.
- feel supported to routinely **supply complex orthoses, such as KAFOs, at first fitting**.
- regularly **be involved in teaching, education, clinical audit and research**.
- have **access to the latest technology, including digital scanning and CAD/CAM, as well as conventional techniques**.

We really look after our staff with...

- competitive salaries, commensurate with experience
- outstanding pension contributions
- time, space, and support to develop and thrive
- fantastic family support, including enhanced maternity/paternity benefits
- company cars (electric available)
- additional paid time off for voluntary work
- HCPC and BAPO membership fees covered.

Applicants must be HCPC registered and preferably members of BAPO.

Please apply via our recruitment platform using the button below. Our selection panel will review your application answers and CV, which will be anonymised, to reduce bias. We love giving feedback, so at the end of the application process, we will share how well you performed.

We are committed to inclusion and diversity. All applicants with a disability will be offered an interview if they meet the minimum criteria for the job.

We're excited to receive your application!
