- Ensuring care packages are effectively managed and clinical controls are aligned to “best practice” guidelines.
- Ensuring appropriate MDT approach is used in your contract(s).
- Developing professional working relationships with key stakeholders in your service.
- Understanding of all aspects of the local contract.
- Attending contract review meetings.
- Accountable for all aspects of people management for your team
- Setting clear, measurable, and challenging objectives for all colleagues.
- Ensuring all clinical and service based KPIs for the contract are achieved.
- Participating in annual budget setting process.
- Working with team to review service and involve them in the development of an action plan to address any areas for improvement.

### **What can we offer you?**

- Competitive salary
- Relocation allowance
- 25 days holiday (rising with service)
- Opportunity to purchase additional holiday.
- Pension
- Paid HCPC Registration
- Protected CPD programme, tailored to individual development needs.
- Ongoing internal and external training and courses
- Clearly defined career development pathway.
- Discounted shopping and leisure activities
- Health cash plan
- Cycle to work scheme.
- Refer a friend incentive scheme.

### **What are we looking for?**

## Essential skills and experience

- Qualified in Prosthetics/Orthotics
- HCPC registration
- Previous experience of managing teams to deliver commercial contracts.
- Experience of managing budgets
- Contract management experience
- Able to prioritise own workload and flow and that of others.
- Excellent communication skills, capable of working effectively with all levels of colleagues, customers, and clients.
- Able to demonstrate sound judgement and decision-making skills.
- Advanced and appropriate IT skills.
- Auditing and KPI experience.

We are a supportive and committed company, with a focused team, dedicated to improving patient care.
