

Job Advert Prosthetist Seacroft, Leeds

Exciting opportunity for a Prosthetist to join our established clinical teams in Seacroft - Leeds!

We have an exciting opportunity for a HCPC registered Prosthetist to join our team within one of the UK's largest Prosthetic service Centres based at Seacroft Hospital, Leeds.

Our partnership with Leeds Teaching Hospital Trust (LTHT) has created an environment that is unique and forward thinking, and we are proud to be at the cutting edge of UK provision. Our partnership promotes collaboration and interprofessional working to provide holistic care to all our service users. The centre has been recognised with a number of National Awards and continues to strive to progress and develop as a service.-

As a Prosthetist, you will promote high standards of care to service users across a broad ranges of amputation levels.

The successful candidate will cast and rectify models in a timely fashion using both traditional methods and CAD/CAM where appropriate. You will manage the patient's case, including patient expectation, ensuring the individual's needs are respected and ensuring the patient is informed throughout the process with clear explanations of proposed interventions. You will work within the parameters of accepted "best practice" at all times using evidence-based practices to ensure that all aspects of practice conform to clinical governance.

As part of the international Eqwal group, you will have opportunities to work with the newest technologies and work with colleagues from across the world. If you would like to work with the largest group of Prosthetists and Orthotists in the country, then please apply by sending your CV to hr@steepergroup.com.
