Exciting opportunities for a Prosthetist to join our established clinical teams in Billericay and Colchester!

We have an exciting opportunity for a Prosthetist to join our existing team in our Southeast England Branches.

An exciting opportunity has arisen for a Prosthetist to provide and promote a high standard of Prosthetic care and treatment across a range of amputation levels. This position is for the Lead Clinician at our Colchester Branch three days per week with the other days working at the Billericay Branch. Part time and dual qualified options can also be considered, please get in touch to discuss.

At least three years of Prosthetist experience will be considered; you should demonstrate attributes that align with the four pillars of our brand:

- Positive turning points
- Innovation
- Partnerships
- Empowering and enhancing lives

As a prosthetist you will be required to act in a professional manner at all times to other members of the team, the patients and their families.

If you care passionately about the service you deliver, act with integrity in ethical decision making and care about making a difference to patient's lives, then Steeper would be a great career opportunity as your next clinical role. Any successful candidate will receive a competitive salary based upon experience and will qualify for our employment benefits scheme. We may also ask you to be involved in wider company initiatives such as our Best Practice, Clinical Services and Innovation forum groups, or assisting in new product development, meaning your career with Steeper could be broader and more dynamic than your clinical role alone.

If you would like to work with the largest group of Prosthetists and Orthotists in the country, then please apply by sending your CV to hr@steepergroup.com.
