Orthotist

## What is the best thing about your job?

For me, the best thing about being an Orthotist is using my problem-solving skills to put smiles on patients' faces at the end of a successful treatment.

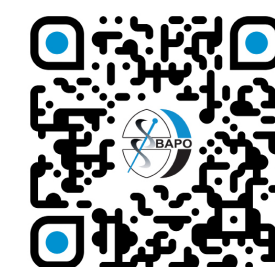

## Describe your job in three to five words

Improving the quality of life of my patients.

## What advice would you give other people interested in your role?

Being an Orthotist is rewarding, with lots of room for personal and career growth, so if you are genuinely passionate about it, pursue it relentlessly while putting in your best.
