## Prestige Healthcare

### Orthotists

### London and the Southeast

Prestige Healthcare (London) Limited

Prestige Healthcare is an independent orthotic service and manufacturing company, supplying services to the NHS in England. We consistently deliver a first-class service for users, whilst applying the most advanced and exciting clinical and technical solutions available to patients.

Due to expansion, we are seeking three highly skilled Orthotists to cover clinics in London and the Southeast.

#### **Job role summary:**

- We embrace best clinical practice, embracing evidence-based medicine and the result of clinical audit in line with the requirements of clinical governance, BAPO and HCPC guidelines.
- Prestige has two manufacturing sites in Barnet North London and Redhill, Surrey.
- A long with private clinics
- Our orthotists assess patients in a variety of different clinics, working independently and as part of a multidisciplinary team. Working with Doctors, Physiotherapists, and other members of the MDT as appropriate, they then provide orthotic treatment based on best practice.

#### **What Prestige offer:**

- Competitive Salary
- Car allowance
- Incremental holiday allowance 33 days (inclusive of bank holidays)
- HCPC registration fees paid
- BAPO fees paid
- Continuing professional development
- Opportunity to collaborate with multidisciplinary teams and exposure to different clinics
- Ongoing internal and external training and courses

#### **What experience you will need:**

- A full skill set in assessing, measuring, tracing / casting, 3D scanning and fitting a full range of orthoses.
- Committed to the highest standards of patient care and building strong relationships with MDT members, patients and colleagues
- Proficient IT skills for patient note documentation and ordering systems
- We will also require applicants to be either a Certified Orthotist/Prosthetist or hold an HND/BSc in Orthotics/Prosthetics.
- You must be HCPC registered.
- Preferably a member of BAPO
- Full driving licence would be preferable.
