Orthotic Clerk

What is the best thing about your job?

The best thing about my job is the team. We work as one with Orthotists and admin. We support each other. We have regular check-ins during the day. We also have a good social life out of work supporting each other in key life events.

I feel valued

What advice would you give other people interested in your role?

Don't give up, I have Dyslexia and have amazing support from my colleagues, the role of Orthotic Clerk makes me feel I have made a difference in someone life, even sometimes when a lonely patient will just ring up to speak to someone friendly.
