Sudi Nayyar

Orthotic Clerk

What is the best thing about your job?

It is definitely the team I work with and the support given to me by manager.

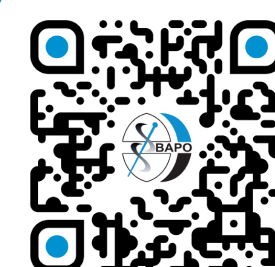

Describe your job in three to five words

Fast, Progressive, Nurturing

What advice would you give other people interested in your role?

I would say I find my role very rewarding if you enjoy working in a fast paced environment where no two days are the same. The opportunity to further your career is highly promoted with available courses/ training. The speciality itself is interesting and I always feel like I am learning new things.
