SALHN

Senior Clinical Prosthetist Orthotist

Adelaide, South Australia

Health
Central Adelaide
Local Health Network

- Southern Adelaide Local Health Network – Flinders Medical Centre - Rehabilitation
- Salary \$104,180 - \$111,746 p.a. (Pro Rata) AHP3 | Full Time, Ongoing permanent (2 positions available)

Elevate Patient Care: Senior Clinical Prosthetist Orthotist Role at SALHN!

As a Senior Clinical Prosthetist Orthotist, you will provide high-quality prosthetic and orthotic assessment, service planning, and direct clinical services to OPSA clients. You will apply significant clinical and leadership expertise to deliver, develop, and improve quality services, upholding standards and providing complex oversight across the Southern Adelaide Local Health Network. Operating in a multi-disciplinary context, you will work independently, problem-solve at complex levels, and demonstrate advocacy, collaboration, and strong leadership.

About the role:

Reporting to the Director OPSA, some of your duties as the Senior Clinical Prosthetist Orthotist may include:

- Delivering high standards of client care in prosthetics and orthotics, with speciality area available in upper limb prosthetics, osseointegration prosthetics, neuro-muscular orthotics, acute and rehabilitation streams, and lead P&O health care professionals in education/training of such areas.
- Providing a consultancy service within OPSA, and to other health professionals within SALHN and other external agencies on assessment, delivery, and long-term management of such clients in area of expertise.
- Ensuring ongoing development of high-quality P&O services within OPSA, in consultation with the Director, OPSA.
- Leadership and training opportunities!
- Flexible work arrangements are negotiable..

Please note: SALHN are currently offering a relocation reimbursement of up to \$10,000 AUD. Click [here](#) to find out more!

About you:

- Bachelor of Prosthetics and Orthotics, or equivalent.
- Eligible for membership to Australian Orthotic Prosthetic Association (AOPA) - must be demonstrated in application.
- Drivers license.
- A specialisation in either stream, prosthetics or orthotics, an advantage
- Demonstrated experience in all aspects of service delivery related to prosthetics and/or orthotics.
- High level clinical and technical skills pertaining to Orthotics and / or Prosthetics.

Please see the attached Role Description for additional information.
