

Job Advert

Sherwood Forest Hospitals

Orthotist

Sherwood Forest Hospitals

NHS Foundation Trust

NHS Orthotist

Sherwood Forest Hospitals NHS Foundation Trust

The closing date is 05 January 2025

We are currently looking for an enthusiastic, highly motivated Orthotist to join our in-house Orthotic team at Sherwood Forest Hospitals.

The Trust provides an Orthotic service to Mid and North Nottinghamshire through its base at King's Mill Hospital. Out-patient clinics and In-patient cover are also provided at Mansfield Community Hospital, Newark Hospital and specialised outreach clinics.

This is a great opportunity to work as an NHS Orthotist within a fully integrated service. We also have our own purpose-built in-house manufacturing workshop and a well-established team. We strive to provide an excellent quality Orthotic service to our local population.

We are a very friendly team, working in a supportive and welcoming environment. We have excellent training and development opportunities including preceptorship for all new starters, protected CPD time and good staff facilities.

About us

Thank you for your interest in this role.

Sherwood is nationally recognised as being an excellent place to work and deliver care. We are rightly proud of the 5,500 colleagues who work here, and we are the Health Service Journal's Trust of the Year in 2020.

The Care Quality Commission rated King's Mill Hospital Outstanding and Newark, and Mansfield Community Hospitals Good. Overall, we are rated Outstanding for care.

For the last four years, we have been ranked as the best NHS Trust to work for in the Midlands and in 2020 we were the third best Acute/Community NHS Trust in England.

Happy colleagues deliver better care. Our teams work in a supportive, inclusive environment, which nurtures wellbeing and has opportunities for development and progression. We do not just care for our patients; we also care for you.

Our culture of learning, compassion and taking a person-centred approach are at the roots of our organisation. We would love you to join us.

Applicants must have a BSc (Hons) Degree in Prosthetics & Orthotics or equivalent qualification, Current state registration with the Health and Care Professions Council (HCPC), and preferably a member of BAPO.
