## Prosthetist, Amersham

dorset orthopaedic  
**ottobock.care**

Experienced Prosthetist in Amersham Clinic

### **Organisation**

Dorset Orthopaedic is one of the UK's leading providers of prosthetic, orthotic, silicone and rehabilitation services. The company was established 30 years ago and is now the UK private patient care division of Ottobock plc. We pride ourselves in continually seeking to understand our patients' unique requirements and deliver individual personalised care. It's this bespoke service and attention to detail that has gained us our reputation for quality and personalised service since 1989.

Dorset Orthopaedic is passionate about pioneering prosthetic and orthotic rehab and we wish to recruit a Prosthetist who is keen to uphold the standard of our service, is enthusiastic about evidence-based practice and can add to the skills of the Rehab Team during their employment.

The patient care specialises in the supply and provision of artificial limbs (Prosthetics) and splints and braces (Orthotics) with the supporting rehabilitation, to facilitate patients leading independent lives.

### **Salary**

Competitive based on experience.

### **Benefits**

An extensive benefits package which includes Company's Private Healthcare Scheme, Private Health Insurance and Life Assurance Schemes.

### **Location**

Amersham, Buckinghamshire

### **Contract type**

Permanent, 40hrs a week. (Mon – Fri).

Flexibility in working hours maybe considered to accommodate personal and professional needs for the right candidate.

**Closing date: Friday 3rd January 2025**

### **Job Description**

We are pleased to offer an exciting role as part of our multidisciplinary service in our Amersham Clinic. The candidate would be working alongside Prosthetists, Physiotherapists and Orthotist to ensure a holistic provision of rehabilitation. You will specifically be looking at complex trauma and amputation cases with long term rehabilitation requirements. This will include of complex clinical MDT assessments and writing of a clinically reasoned recommendation reports for funding approval.

You will be working as part of a wide internal and external multi-disciplinary team (e.g. Prosthetists, Orthotists, Technicians, Case Managers, Solicitors, and other Allied Health Professionals) and take an independent and/or lead role in providing appropriate prosthetic treatment to a wide range of Dorset Orthopaedic clients.

**Essential Requirements:**

- BSc or MSc in Prosthetics & Orthotics
- Current HCPC Registration
- Minimum of 5 years of relevant experience working as a Prosthetist.

**The successful candidate will be required to:**

- Provide clinical prosthetic responsibility, including prescription, provision and follow-up
- Provide technical assistance during the manufacture of upper & lower extremity prostheses, within the onsite workshop, working closely with the Technical Team
- Liaise with management team, case managers, solicitors and external clinicians
- Record and update medical records
- Work alone and alongside a multi-disciplinary team
- Record outcome measures and contribute to auditing, research and development
- Ideally have full UK driving licence

**Applications**

Interested applicants should send a copy of their CV with covering letter to Ankita Mistry, [ankitam@dorset-ortho.com](mailto:ankitam@dorset-ortho.com). Closing date for applications – Friday 3rd January 2025. Applications will be reviewed on a rolling basis.
