

Job Advert

Graduate Orthotist, Leeds

WE ARE RECRUITING **GRADUATE ORTHOTIST**

TayCare Medical Ltd is seeking a highly motivated and enthusiastic graduate orthotist, keen to start their career with a trusted and caring employer. This is an exciting opportunity!

TayCare is a family-owned business, based in Leeds, focused solely on Orthotics. Our workforce consists of more than 20 orthotists and 60 technicians. We prioritise patient care, supported by the provision of high-quality products. At TayCare we provide a full range of orthotic services, to both the NHS and our private patients. We operate nationally, with our factory in Leeds supporting our services by manufacturing excellent custom orthoses and footwear.

As a successful applicant, you will be based in York, and work across other Trust sites. Our service in York includes complex diabetic clinics, involvement in MSK Community Assessment Days and dedicated paediatric clinics which take place in special schools. More details of the role is available on request and will be provided at the interview stage. You will work alongside other AHPs, within multidisciplinary clinics, to develop your confidence and clinical knowledge. Exposure to a broad variety of clinical conditions such as MSK, neuro rehab/stroke, diabetic foot care, paediatrics, and inpatient care, including spinal trauma will enhance your experience and insight.

Our high-quality preceptorship programme is supported by the NHS Trust. You will train alongside other AHPs as part of your induction. TayCare will support you to gain essential confidence, with supervision and support provided by our experienced team of orthotists. Structured support and development will ensure that you will soon be working autonomously and independently. You will also receive support and learn from working with our skilled technicians, dedicated administration, and approachable, clinically led, management team.

York offers a unique and appealing blend of opportunities, culture, and quality of life. The picturesque medieval streets coexist with trendy cafes, co-working spaces, and vibrant nightlife to provide historical charm combined with a modern vibe. Compared to larger cities like London, York offers a lower cost of living without compromising on amenities or entertainment. York is walkable and bike-friendly, with excellent public transport, and is accessible to major cities like Leeds, Manchester, and London.

BENEFITS

In addition to a highly competitive starting salary, our graduates receive:

- ✓ 25 days holiday entitlement plus Bank Holidays
- ✓ Fully funded travel and car allowance
- ✓ Dedicated Clinical Professional Development time, including opportunities for development and a comprehensive training package.
- ✓ Scope for involvement in company projects
- ✓ HCPC membership paid
- ✓ DBS paid
- ✓ Pension
- ✓ Cycle to work scheme
- ✓ Membership to retail/shopping discount scheme

Before employment starts you must be HCPC registered, hold a full UK driving license, and have completed an enhanced DBS check. BAPO membership is strongly preferred.

Closing date 7th February 2025
