

# Job Advert - Livewell Southwest Prosthetic Clinical Lead/Prosthetist, Plymouth

## **Prosthetic Clinical Lead/Prosthetist Band 7 - £46,148 to £52,809 Livewell Southwest - Plymouth**

Livewell Southwest are looking for a dynamic, experienced HCPC registered prosthetist to join the prosthetics rehabilitation team based in Plymouth. Due to a development opportunity for the current post holder, there is a vacancy for a full-time prosthetist to join the team on a permanent basis in the role of prosthetics clinical lead. As an independent social enterprise in-house provider, working for Livewell Southwest will provide the opportunity to collaborate with the full range of prosthetic suppliers to deliver optimal solutions for the patients you work with.

The successful applicant will lead a team of 4 prosthetists, providing clinical leadership as well as managing their own complex caseload. You will undertake true MDT working, supported by a consultant, specialist physiotherapists, specialist nurse, clinical and administrative support and a team of on-site prosthetic technicians with a full manufacturing facility. You will be involved with pre-amputation assessment, Primary patient MDT consultation and lifelong prosthetic provision, collaborating with the whole team to provide holistic solutions across the full range of amputation levels and congenital limb difference. The clinical lead role will also provide the opportunity to lead on research, audit and governance for the service, driving development and quality of service provision.

If you are passionate about the prosthetic profession and would like the opportunity to work in beautiful Devon and Cornwall, this is the role for you.

All applicants should be HCPC registered and preferably a member of BAPO.
