

Job Advert

Clinic Manager, Manchester

Proactive

prosthetic and orthotic care

Job title:	Clinic Manager
Location:	Manchester
Salary:	Competitive, dependent on experience

Proactive Prosthetics and Orthotic Care is a private facility that has established an enviable reputation as a centre of excellence in prosthetics and orthotics. We are dedicated to providing a patient-focused, friendly and relaxed environment, enabling individuals to reach their full potential through a multidisciplinary rehabilitation process.

We are committed to delivering the best possible outcomes by staying up to date with the latest cutting-edge technologies and manufacturing processes. Our clinical and technical teams work in close collaboration, offering peer-to-peer support to ensure the highest standards of care.

Job Summary:

Due to planned growth, we have an exciting opportunity for a well-motivated and forward thinking Clinic Manager to join the Proactive family and lead our new clinic in Manchester. As Clinic Manager, the post holder will lead the management and support the ongoing development of the clinic, as well as managing their own complex traumatic cases.

Role and responsibilities include:

- Day-to-day management of the clinic
- Building and maintaining relationships with case managers, lawyers and insurers
- Training and presenting to case managers, lawyers and insurers
- Management of complex traumatic patients
- Working to the highest standard with responsibility for the complete process of patient care
- Casting and rectifying all levels of upper and lower limb amputation
- Participation as a key member within the MDT
- Liaising with case managers, lawyers and insurers about patient care
- Expert witness report preparation for Medico-Legal Cases
- Supporting marketing and business development opportunities
- Line management of clinical, technical and administrative roles.

Required Qualifications and Experience include:

- Certified Prosthetist; HND Prosthetics/BSc Prosthetics
- Knowledge and experience of the latest prosthetic products and techniques
- Excellent organisational skills
- Management experience preferable but not essential

- An advanced understanding of socket design and experience in fitting active users
- Competence in practical aspects of socket fabrication and the manufacture of prostheses
- Ability to communicate and present both formally and informally to healthcare professionals and lawyers
- HCPC registered

Proactive is a private clinic, established in 2001. Proactive became part of the AM Healthcare Group in April 2022, the largest provider of prosthetics and orthotics in the UK and Ireland, who have provided further investment in the service to facilitate growth, whilst also ensuring that the patient-centred and friendly nature of the service continues to thrive.

If you are interested in joining a clinical team committed to giving the very best to patients, please send your CV to clinic@proactiveprosthetics.co.uk. To arrange an informal discussion, please email the same address.
