

# Job Advert Senior Orthotist East Surrey

## Exciting opportunity for a Senior Orthotist to join our growing team in East Surrey!

We now have an exciting opportunity for a **Senior Orthotist** to join our growing team serving the vibrant East Surrey community through our partnership with **First Community Health**.

Steeper Group is a true leader in the Orthotic, Prosthetic and Assistive Technology products. In the past 100 years we have grown to become one of the UK's largest suppliers. Steeper's vision is to create life's turning points, together. We aim to do this by delivering innovative prosthetic, orthotic and assistive technology products and responsive clinical services. In 2023, Steeper also became part of the Eqwal family, meaning you would not only be joining a leading UK Prosthetic manufacturer and distributor, but you would also be part of the 4<sup>th</sup> biggest P&O company in the world.

This is an excellent opportunity for a senior or aspiring senior Orthotist looking to step up into a more autonomous and varied clinical role. You will be the lead Orthotist supporting services across East Surrey, working with a diverse caseload that includes general adults, paediatrics, and high-risk diabetic foot patients. This mix of specialties makes for a clinically rich and rewarding role.

You will be responsible for assessing, prescribing, and delivering orthotic care across community clinics and multidisciplinary settings, collaborating closely with referrers and other healthcare professionals. The role offers significant autonomy, with opportunities to develop both clinical practice and local services.

At Steeper, we're committed to your professional growth. You'll have access to internal training programmes, CPD time, clinical mentorship, and the chance to shape service direction locally. This is more than a clinical role – it's a real opportunity to make an impact on a community and your career.

### What We're Looking For:

- HCPC-registered Orthotist with strong clinical reasoning and patient-centred care ethos
- Preferably members of BAPO
- Experience in managing complex caseloads including paediatrics and diabetic foot preferable
- Excellent communication and MDT collaboration skills
- A passion for service innovation and delivering measurable outcomes

If you're passionate about orthotic care and ready to take the next step in your career, we want to hear from you.
